Cutting Edge Technology

As a pioneer with 33 years in solar, API demonstrates leadership in the development of solar energy products. API's commitment to continuous improvement is shown by repeatedly achieving world record product efficiency and performance.

Quality Built In

- Designed and built to high API standards
- UV stabilized, aesthetically pleasing anodized frame
- Easily accessible grounding points

certifications

TUV-CE

ISO 9001-2000

New Improvements

- Proven junction box technology
- PV wire compatible with transformerless inverters
- Quality locking plug-in connectors
- Safe & quick connections
- Low iron glass
- Heavy duty frame

Reliable

- Superior built-in quality
- Proven superior field performance
- Tight tolerances

Warranty

- API standard solar panel warranty.
- 25 year power output warranty and 5 year workmanship warranty
- Extended warranties available per project requirements
- Refer to API warranty policy for details
